

EQUIFAX®

BREACH INFO

Your account information with Allied First Bank was NOT effected!

Equifax WILL NOT call you for additional information!

As you may know, Equifax® was recently impacted by a cybersecurity attack. We at Allied First Bank are committed to providing you as much information as possible to help inform and protect our customers & communities.

The Equifax® data breach initially occurred from mid-May through July 2017, when hackers accessed a large amount of data. Data impacted includes names, Social Security numbers, birth dates, addresses, and driver's license numbers for about 143 million Americans. In addition to this personal information, it is estimated that 209,000 credit card numbers were also accessed by these hackers.

We recommend that all our customers be proactive about cyber security and identity theft. Here are some things you can do right now to help protect yourself from identity theft and fraud:

- Visit the [Equifax® Cybersecurity website](#) to learn more about the data breach
- Use the [Equifax® tool to check if you were potentially impacted by the breach](#)
- Sign up for Fraud Alerts at the three (3) credit bureaus
- Monitor your accounts closely in the coming days to quickly catch any suspicious activity

To better assist this cybersecurity breach, Equifax has set up a dedicated call center. You can reach the Equifax Dedicated Call Center at 866-447-7559, The call center is open every day (including weekends) from 7:00 a.m. - 1:00 a.m. Eastern time.
